About Kona Brewing:

Kona Brewing Company was started in the spring of 1994 by father and son team Cameron Healy and Spoon Khalsa, who had a dream to create fresh, local island brews made with spirit, passion and quality. It is Hawaii's first and largest craft brewery and is best known for flagship beers Longboard Island Lager and Big Wave Golden Ale. The Hawaii-born and Hawaii-based craft brewery prides itself on brewing the freshest beer of exceptional quality, closest to market. This helps to minimize its carbon footprint by reducing shipping of raw materials, finished beer and wasteful packaging materials. The brewery is headquartered where it began, in Kailua-Kona on Hawaii's Big Island. For more information call 808-334-BREW or www.KonaBrewingCo.com.
